

Entertainer

You love to get the most out of life.

You love to learn by experimenting and exploring. Living in the moment you know how to find pleasure in everything you do.

You are social, spontaneous, popular, and comfortable in the spotlight. You inspire others, enjoy making connections, and are generous with your time and efforts.

You are sensitive to the way others feel and have a knack for mirroring your environment to meet their needs and desires.

You thrive working with people and want to connect and get to know them. Your energy is infectious encouraging others to join in the fun.
